主題介紹

About the theme

2025澳門國際光影節以「光繪·未來」為主題，深度鏈接澳門兩大城市名片，攜手國際藝術家與本地藝術家共創交流，以光為筆，描繪對城市未來的無限想像。

光影節以光串聯三大區域——南灣區的「多元交融之光」、北區的「人文煙火之光」、新口岸的「潮流活力之光」，三種光芒相互輝映，描摹出一幅共生共融、璀璨綻放的澳門未來圖景。

“Light up Macao 2025”, themed “Lightscape · Horizon”, deeply connects the city’s two cultural identities. Bringing together international and local artists in a spirit of co-creation, the festival uses light as a brush to paint boundless visions of the city’s future.

The festival illuminates three key areas of Macao — “Light of Diverse Fusion” in Nam Van District, “Light of Humanistic Vitality” in the Northern District, and “Light of Urban Trend” in ZAPE. These three lights interweave and reflect one another, together sketching a brilliant and inclusive vision of Macao’s luminous future.

奇幻旅程 · 澳門故事 Macao Odyssey: The Story Unfolds

以澳門大賽車博物館的建築直角為“城市軸心”與“時光舞台”，將澳門深厚的文化底蘊轉化為一場跨越時空的史詩旅程。故事從歷史的甦醒開始，經歷市井生活的煙火氣、東西方文化的交融共舞，直至節慶盛典的集體狂歡。吉祥物“麥麥”不僅是導覽者，更是這場旅程的靈魂——它既是沉浸於童年歡樂的本地精靈，也是面向未來、探索無限可能的星際使者。表演最終回歸到城市不息的生命脈動，傳達出澳門從過去汲取力量、在現在盡情歡慶、並向未來勇敢啟航的永恆城市精神。

Taking the architecture of the Macao Grand Prix Museum as the "urban axis" and "time stage," we transform Macao's rich cultural heritage into an epic journey that transcends time. The story begins with the awakening of history, experiencing the everyday life filled with vibrant energy, and the harmonious dance of Eastern and Western cultures, culminating in the collective celebration of festivals. The mascot "Mak Mak" is not only the guide but also the soul of this journey—both a local spirit immersed in childhood joy and an interstellar messenger exploring infinite possibilities for the future. The performance ultimately returns to the city's ceaseless pulse of life, conveying the eternal spirit of Macao, which draws strength from the past, celebrates passionately in the present, and bravely sets sail into the future.
